

PICTURE NEWS POLICY

Our School Motto

Never settle for less than your best.

Our Vision

Following in the footsteps of Jesus, each member of our community will flourish as resilient, respectful, and adaptable individuals prepared for life's journey. Along the way we will encourage and inspire each other to continue growing as beacons of light in our own lives and the wider world

Our Mission

St George's Central seeks to provide quality education rooted in the Christian faith, serving the spiritual, moral, and educational needs of the community of which it is part.

Introduction

At St George's Central, we believe that children should broaden their knowledge and experience beyond what they already know. We believe that our children should be exposed to a range of cultures, values and beliefs and should treat the opinions of others with respect. Picture News focuses on a different news subject every week. A picture of the news story and an over-arching question are used to prompt reflection and debate. We believe that, in developing children's debating skills, Picture News helps to promote tolerance, speaking and listening skills, respect and a deeper understanding of the fundamental British Values.

Aims

- Develop the speaking and listening skills of all children.
- Broaden the vocabulary of children.
- Make British Values relevant and meaningful.
- Develop links between personal, school and community values.
- Allow children to demonstrate respect and tolerance.
- Expose children to a range of current issues including political, religious, cultural, environmental, social, moral, spiritual.
- Support children in becoming active citizens, who can evoke change and impact the world we live in.
- Give children the confidence to speak out about issues they are interested in.
- To expose children to a range of global and national issues.

Teaching and Learning

- Picture News is delivered weekly to each class with Picture News poster on display.
- Each week, an explicit link is made to a different British Value.
- The class teacher will provide some background information to the story and ask the 'big question' which accompanies the story.
- Children are given time to reflect on the issue and are then encouraged to use sentence starters to construct their argument.
- Within the Picture News lesson, healthy debate and discussion are encouraged.
- Opportunities provided for children to follow-up interests and tackle issues raised.

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

- Each Key Stage 2 class contributes to the interactive display on a weekly rota.
- Children in the Early Years Foundation Stage are provided with an EYFS version of the same story. Links are made to the continuous provision and practical follow up activities are provided.

Children are also encouraged to add responses to the virtual discussion board on the Picture News website. Other work related to Picture News is shared on Twitter with the hashtag #SGCPictureNews. Teachers may use their observations of children's progression in Picture News to inform their assessment of children's performance in related subjects.
