

St. George's Central CE Nursery (Lancaster Avenue)

Anti-Bullying Policy

St. George's Central CE Nursery (Lancaster Avenue) is committed to providing an environment for children that is safe, welcoming and free from bullying and peer abuse. Bullying of any form is unacceptable in our setting, whether the offender is a child or an adult. The victim is never responsible for being the target of bullying.

Everyone involved in the setting, staff, children and parents/carers, will be made aware of our stance towards bullying. Such behaviour will not be tolerated or excused under any circumstances. We define bullying as the deliberate and repeated harassment of others through emotional, physical, verbal or psychological abuse. Examples of such behaviour are as follows:

Emotional: Being deliberately unkind, shunning or excluding another person from a group or tormenting them. For example, forcing another person to be 'left out' of a game or activity, passing notes about others or making fun of another person.

Physical: Pushing, scratching, spitting, kicking, hitting, biting, taking or damaging belongings, tripping up, punching or using any other sort of violence against another person.

Verbal: Name-calling, put-downs, ridiculing or using words to attack, threaten or insult. For example, spreading rumours or making fun of another person's appearance.

Psychological: Behaviour likely to instill a sense of fear or anxiety in another person.

Preventing Bullying Behaviour

The manager and the staff will make every effort to create a tolerant and caring environment in the setting, where bullying behaviour is not acceptable. Staff will discuss the issues surrounding bullying openly, including why bullying behaviour will not be tolerated and what the consequences of bullying behaviour will be.

Dealing with Bullying Behaviour

Despite all efforts to prevent it, bullying behaviour may occur on occasions and the setting recognises this fact. In the event of such incidents, the following principles will govern our response:

- All incidents of bullying will be addressed thoroughly and sensitively.
- Children will be encouraged to immediately report any incident of bullying that they witness. They will be reassured that what they say will be taken seriously and handled carefully.
- Staff have a duty to inform the manager if they witness an incident of bullying involving children or adults at the setting.
- If a child or a member of staff tells someone that they are being bullied, they will be given the time to explain what has happened and reassured that they were right to tell.
- The individual who has been the victim of bullying will be helped and supported by the staff team. They will be kept under close supervision and staff will check on their welfare regularly.
- In most cases, bullying behaviour can be addressed according to the strategies set out in the Behaviour Management policy. The bully will be encouraged to discuss their behaviour and think through the consequences of their actions. Where appropriate, they will be encouraged to talk through the incident with the other person concerned.
- A member of staff will inform the parents/carers of all the children involved in bullying incident at the earliest possible opportunity. If appropriate, staff will facilitate a meeting between the relevant parents/carers. At all times, staff will handle such incidents with care and sensitivity.

'Never settle for less than your best'

- All incidents of bullying will be reported to the manager and will be recorded in the Incident Record Book. In the light of reported incidents, the manager and other relevant staff will review the setting's procedures in respect of bullying.
