

Welcome to Y1/2 OB

Mrs O'Brien

&

Mrs Rigby

Curriculum and Learning

***We aim to build on previous experiences children have had in Reception and Y1.**

***We have high expectations of children and encourage them to try their best at all times.**

Reading

***Please read at least
three times a week at
home.**

***Please sign planners so
we know children have
read.**

Beat That Maths Home Learning

***Arithmetic sheet given out on Mondays.**

***Please complete at home.**

***Please encourage your child to work on this throughout the week and try to learn times tables and number bonds off by heart.**

Spellings

- *Spellings are stapled into planners.**
- *Please encourage your children to practise throughout the week**
- *The test is every Friday.**

PE

***Tuesday – outdoor PE.**

Children wear their kits to school.

***Wednesday – indoor PE.**

Please ensure your child has an indoor kit, including pumps, in school. The kit will stay in school for the full half term.

Behaviour

***Children can earn team points for positive behaviour or work.**

***We have a whole class reward chart which we work towards each half term.**

***Star of the Week, Reading Medals and Values certificates are awarded weekly.**

Behaviour

- *We use a “sun and cloud” based system to promote positive behaviour in class.**
- *Children aim to keep their name labels on the “sun” at all times by demonstrating positive behaviour and following school rules.**
- *Names are moved to the “cloud” if behaviour falls below expectations.**
- *At the of each session all names are moved back to the “sun” to demonstrate a fresh start.**
