
St George's Central CE Primary School and Nursery

Long Term Plan for Geography Nursery (2 – 3 year olds)

	Through discussion, stories, role-play and small world play the children will begin to make sense of their physical world and their community. Children will listen to a broad selection of stories, non-fiction, rhymes and poems to foster their understanding of a culturally and ecologically diverse world. The children will learn new vocabulary to support their learning of the world around them.
EYFS Statements	<ul style="list-style-type: none">• Explore and respond to different natural phenomena in their setting and on trips• Notice differences between people
Continuous Provision	<ul style="list-style-type: none">• Sharing cultural diverse books in book area• Look at photographs of culturally diverse people• In the moment discussions about the current weather• Exploring cultural diverse people in small world• Exploring and discussing natural materials

'Never settle for less than your best'

St George's Central CE Primary School and Nursery

Long Term Plan for Geography Nursery (3 – 4 year olds)

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Key Questions	What happens in autumn?		Is it raining today? Why are my fingers cold?	Is the grass starting to grow? What comes out of an egg?	What are the wonders of Tyldesley?	Where are we going?
Key Learning	Seasonal Change		Weather It's Cold	Spring New Life	Our Town Tyldesley	Out and About
EYFS Statements	<ul style="list-style-type: none"> Talks about the natural world and how and why things happen and the different weather we experience. Notices detailed features of objects in their environment Can comment and ask questions about aspects of their familiar world such as the place where they live or the natural world. 		<ul style="list-style-type: none"> Talks about the natural world and how and why things happen and the different weather we experience. Talks about how the different weather affects our behaviour. 	<ul style="list-style-type: none"> Can talk about some of the things they have observed such as plants and animals, natural and found objects. Developing an understanding of growth, decay and changes over time. Can talk about how they have grown and changed since birth. 	<ul style="list-style-type: none"> Notices detailed features of objects in their environment. Can talk about the different buildings in their local environment and the purpose they serve e.g our home and school. 	<ul style="list-style-type: none"> Can comment and ask questions about aspects of their familiar world such as the place where they live or the natural world. Know there are different countries in the world and talk about the differences they have experienced or seen in photos. Can use terms to distinguish a variety of places e.g. town, countryside, coastal areas.
