

What is interesting about Tyldesley?

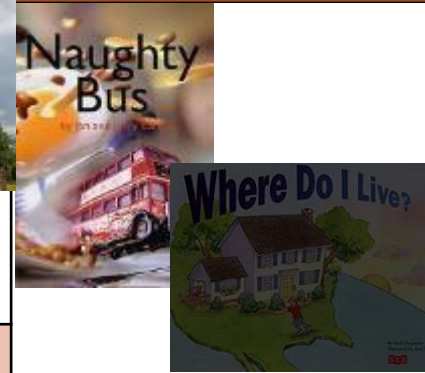

Subject Specific Vocabulary	
street	A public road in a city, town, or village, typically with houses and buildings on one or both sides.
road signs	A road sign gives you information, directions to places or warn you of possible dangers.
office	A building where people work from. Some are large, tall buildings and others are very small.
supermarket	A place where you buy groceries and other items. They are usually very large with parking space.
post office	A place where you buy stamps for your letters and can send your letters and parcels.
church	A place of worship normally found in every village, town and city. Mosques and temples are similar places for different religions.
map symbol	A small picture on a map to tell you about something. There are symbols for schools, churches, post offices and pubs.
address	Locates exactly where someone lives by having the house or flat number, street and town names.
post code	This locates exactly where a street or a place is by using letters and numbers.
urban	A busy location which has lots of houses and usually shops and offices.
rural	It is a location in the country. It is not usually as busy as an urban place.

Sticky Knowledge about our locality

- Tyldesley is a town in Greater Manchester, England. It is in the north west of England
- Our school is on Darlington Street. Our church is called St. George's Church and it is on Elliott Street. We know this street very well. There are lots of shops on it too.
- You can do lots of things in Tyldesley. You can go for a swim at The Pelican Centre, you can go for a walk in the park and you can visit lots of different shops.
- Every street in our country has a name and a post code. The name is usually on a wall or a sign at the beginning of the street.
- Your address has the name of the street you live in, the number or name of your house; the village, town or city you live in and a post code.
- There are many signs on the roads to help drivers use the highway code properly. There are different shaped signs to help drivers know what to do.
- You can use compass directions (North, East, South, West) to help you to describe your location.

Exciting Books
