

St George's Central CE Primary School and Nursery

Subject Overview for Science 2026-2027

Year	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
N	Why am I special? What happens in autumn?	How can I see in the dark? Why are babies wonderful?	Is it raining today? Why are my fingers cold?	Is the grass starting to grow? What comes out of an egg?		Where are we going?
R	What makes me marvellous?		Do dinosaurs exist?	What are the secrets of the garden?	What lives in the blue planet?	
Y1/2	What plants and animals live in our local environment? Scientist: <i>Gerry Tissier</i>	Which body parts help us to see, smell, hear, taste and touch? Scientist: <i>Danielle Johnson</i>	What different materials are objects made from? Scientist: <i>Pearl Agyakwa</i>	How do seeds and bulbs grow? Scientist: <i>Tijana Blanus</i>		How does the weather change through the seasons? Scientist: <i>Paola A. Arias</i>
Y3/4	Why do we need a skeleton? Scientist: <i>Michelle Williams</i>	What are the components of a simple circuit? Scientist: <i>Nicole Melzack</i>	What are the functions of the parts of a flower? Scientist: <i>Angie Burnett</i>		How can animals be classified in our local and wider environment? Scientist: <i>Ryan Coombes</i>	How are shadows formed? Scientist: <i>Colin Webb</i>
Y5/6	What is the effect of changing a component in a circuit? Scientist: <i>Thomas Edison</i>	Can we separate a mixture of solids, liquids and gases? Scientist: <i>Rabi Chhantyal-Pun</i>	How does light travel? Scientist: <i>Helen Mason</i>	How do plants and animals reproduce? Scientist: <i>Ruth Sutton</i>	How do plants and animals adapt to survive? Scientist: <i>Charles Darwin</i>	

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

Year	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
N	Why am I special? What happens in autumn?	How can I see in the dark? Why are babies wonderful?	Is it raining today? Why are my fingers cold?	Is the grass starting to grow? What comes out of an egg?		Where are we going?
R	What makes me marvellous?		Do dinosaurs exist?	What are the secrets of the garden?	What lives in the blue planet?	
Y1/2	What different groups do animals belong to? Scientist: <i>Hella Petér</i>	What material is best for.....? Scientist: <i>Charles Macintosh</i>	What do we need to grow and stay healthy? Scientist: <i>Jessica Kan</i>		How do plants and animals obtain their food? Scientist: <i>Tanesha Allen</i>	Why do some objects float? Scientist: <i>Zoe Ayres</i>
Y3/4	Will we ever see the food we eat again? Scientist: <i>Dr Marie Goepp</i>	Is it a solid, a liquid or a gas? Scientist: <i>Parvez Alam</i>	How are rocks formed? Scientist: <i>Anjana Khatwa</i>	Which materials are attracted to a magnet? Scientist: <i>Karen Alpin</i>	What does a healthy diet look like? Scientist: <i>Letiza Delle Vedove</i>	How does sound travel? Scientist: <i>Emma Wride</i>
Y5/6	Who is Carl Linnaeus? Scientist: <i>Carl Linnaeus</i>	How do chemists create new materials? Scientist: <i>Dr Susannah Worster</i>	How do forces effect how objects fall? Scientist: <i>Isaac Newton</i>	Which everyday objects use magnets? Scientist: <i>Daniel Azahan</i>	How does diet, drugs, exercise and lifestyle impact on our bodies? Scientist: <i>William Harvey</i>	Why do we have day and night? Scientist: <i>Neil Armstrong</i>
