

How we assess children's learning in Picture News

In Key Stage 1 and Key Stage 2, Picture News contributes towards children's progress, at an age-appropriate level, within the National Curriculum standards for Spoken English. This progress is monitored by teachers using ongoing formative assessments during discussions and through looking at written evidence produced and recorded in floor books. The information gained from these evidence bases, across school, will show the progression of children's abilities to articulate clear arguments, understand key vocabulary and demonstrate effective listening skills.

'Never settle for less than your best'

Jesus said, I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12
