

St George's Central CE Primary School and Nursery

Year 1/2 - Computing – Are you in the picture?

What will we learn:

- To understand that data can be represented in picture format.
- To contribute to a class pictogram.
- To use a pictogram to record the results of an experiment.

Prior Learning

In Reception I learnt how to:

- Log in with adult support with a simple username and password.
- Open an app to complete a task
- To input data into a computer (Typing)
- Log out safely

Resources that are going to help me achieve my learning.

Future Learning in Year 3/4

To enter data into a graph and answer questions.

To solve an investigation and present the results in graphic form.

To present data in different forms

Vocabulary

Pictogram	A diagram that uses pictures to represent data.
Data	Facts and statistics collected together that can provide information.
Collate	Collect and combine (texts, information, or data).

Fun Facts:

- Pictograms provide a visual aid to help people understand data
- They normally have a key to show you what each picture represents
- Pictograms are used to present different data from favourite foods to goals scored by a football team.
- They are a fun way of showing simple data

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12
