St George's Central CE Primary School and Nursery

Year 1/2 - Computing – Where does the information belong?

What will we learn:

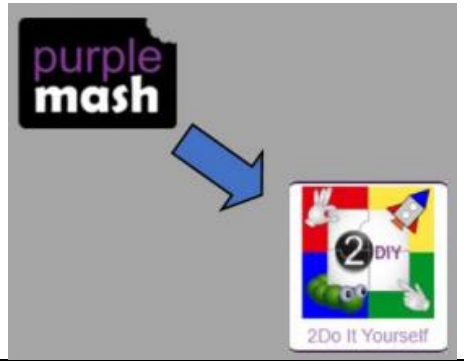
- To sort items using a range of criteria.
- To sort items on the computer using the 'Grouping' activities in Purple Mash.

Prior Learning

In Reception I learnt how to:

- Log in with adult support with a simple username and password.
- Open an app to complete a task
- Log out safely
- Input information into the computer

Resources that are going to help me achieve my learning.



Future Learning in Year 3/4

To sort objects using just 'yes' or 'no' questions.

To complete a branching database using 2Question.

To create a branching database of the children's choice

Vocabulary

Sort	Put things together by features they have in common.
Criteria	A way in which something is judged.

Fun Facts:

- Did you know, we can sort objects by different criteria. These include the size of the objects, the colour of the objects or the number of sides the object has. The criteria will depend on the type of objects being sorted.
- You can sort many different things such as clothing, foods, shoes, pencils and many other objects. You could even sort your teachers.
- Once objects have been sorted then they can been presented in different ways

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12
