

What does it take to win?

Key Vocabulary	Football
Attacking	Trying to move the ball forward to create chances to score.
Defending	Working to stop the other team from scoring by blocking, marking, or winning the ball back.
Throwing	Restarting play by throwing the ball back onto the pitch with both hands from behind the head (a throw-in).
Dribbling	Moving with the ball by tapping it with your feet while keeping control.
Control	Stopping or settling the ball so you can use it effectively.
Tackle	Trying to win the ball from an opponent using your feet safely and fairly.
Passing	Kicking the ball to a teammate.
Scoring	Getting the ball into the opponent's goal to earn a point.
