

How do we go for gold?

Key Vocabulary	Rounders
Fielding	The act of stopping, catching, or returning the ball after the batter hits it. Fielders work to prevent rounders and get batters out.
Teamwork	The collaborative effort of all players on and off the court to achieve a shared objective.
Score	To earn points by hitting the ball and running around the bases to reach home.
Back stop	The fielder who stands behind the batter to catch missed balls and help prevent runner from advancing.
Throw	To send the ball accurately to another player using an overarm or underarm action.
Catch	To safely receive the ball in your hands after it has been hit or thrown.
Technique	The correct way of performing a skill (batting, throwing or catching) to improve accuracy or success.
Balance	Keeping your body steady and controlled, especially when batting or preparing to throw or catch.

Steps to Success in Rounders

To move in different ways

To use an underarm throwing technique

To try and find ways to win games

To move into space

To hit a ball

To compete with others
