

Annual Governance Statement

2023 – 2024

'Never settle for less than your best'

Our school motto

Never settle for less than your best.

Our Vision

Following in the footsteps of Jesus, each member of our community will flourish as resilient, respectful and adaptable individuals prepared for life's journey. Along the way we will encourage and inspire each other to continue growing as beacons of light in our own lives and the wider world.

Our Mission Statement

St. George's Central seeks to provide quality education rooted in the Christian faith, serving the spiritual, moral, and educational needs of the community of which it is part.

Introduction

At St George's Central CE Primary School and Nursery, the governing body recognises the importance of identifying the effectiveness and impact of its governance. [The Governance Handbook](#) defines the three core functions of governance as:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding executive leaders to account for the educational performance of the organisation and its pupils, and the effective and efficient performance management of staff; and
- Overseeing the financial performance of the organisation and making sure its money is well spent

The governing body also ensures that the school complies fully with statutory safeguarding procedures and works with the safeguarding lead in school to complete an annual safeguarding self-assessment. The aim of this impact statement is to share the strategic work of the governing body in relation to school improvement and the discharge of statutory duties. The day to day management of the school is the responsibility of the Headteacher and senior leadership team.

The composition of the governing body

To comply with statutory requirements ([What maintained schools must publish online](#)) our school website has a page with information about our governance arrangements including our structure, responsibilities and committees and attendance of governors at meetings.

There are currently 3 vacancies on the governing body, active recruitment is ongoing. We have had no new governors join this academic year. In previous years, when new governors have joined the governing body, they have attended induction training to support them in understanding the strategic nature of the role and the responsibility of challenging and monitoring aspects of school. In light of self-assessment completed annually the governing body reviewed the training and development opportunities and allocated courses across the governing body. We would like to record our thanks to those governors who left the governing body during the last year for the contribution and commitment they gave.

Meetings of the governing body

The full governing body meets six times a year, once per half term. All meetings are clerked by a trained professional clerk. Both curriculum and financial matters are included within the format of the full governing body. There are committees for Pay and Headteacher Appraisal which meet yearly and have delegated authority to make decisions on behalf of the governing body. They are also professionally clerked. Committee membership and the committee structure is reviewed at the beginning of each academic year. Governors have good attendance at meetings overall. Apologies for non-attendance are considered on an individual basis and governors are aware through our code of conduct that repeated non-attendance will result in removal from the governing body. Governors are also linked to classes and key curriculum areas. The chair of governors takes responsibility for safeguarding leadership with the Designated Safeguarding Leads within school.

'Never settle for less than your best'

The focus of our strategic oversight

The senior leadership team completed a self-evaluation of the school. This took into account SATs results, the school's internal monitoring of pupil progress and attainment, the school curriculum and the most recent Ofsted report. This was reviewed by the governing body and informed our School Impact Plan for 2023 – 2024 which prioritises the following areas:

- To ensure that the implementation of our curriculum is consistent and the quality of education: meets the needs of all learners, continues to have the expected impact, develops long term learning skills and embeds subject knowledge.
- To ensure that high expectations for positive behaviour and attitudes to learning are in place, through having a consistency of approach that supports high quality, positive relationships and promotes attendance at school.
- To further enhance pupils' character development through provision for mental, physical and SMSC well-being opportunities throughout school life including within the curriculum and the community.
- To ensure that leaders have a clear ambitious vision for providing high-quality education for all learners through making use of our excellent facilities and through having consistent, strong, shared values, policies and practices in place to support children and staff at all levels.
- To ensure the environment, approaches to teaching & learning and conversations within high quality continuous provision enable children to deepen their knowledge and understanding across all areas of learning.

Additionally, the process as described above has already occurred for 2024 – 2025 and the key priorities for our School Impact Plan have remained the same as the previous year and are as follows:

- To ensure that the implementation of our curriculum is consistent and the quality of education: meets the needs of all learners, continues to have the expected impact, develops long term learning skills and embeds subject knowledge.
- To ensure that high expectations for positive behaviour and attitudes to learning are in place, through having a consistency of approach that supports high quality, positive relationships and promotes attendance at school.
- To further enhance pupils' character development through provision for mental, physical and SMSC well-being opportunities throughout school life including within the curriculum and the community.
- To ensure that leaders have a clear ambitious vision for providing high-quality education for all learners through making use of our excellent facilities and through having consistent, strong, shared values, policies and practices in place to support children and staff at all levels.
- To ensure the environment, approaches to teaching & learning and conversations within high quality continuous provision enable children to deepen their knowledge and understanding across all areas of learning.

The work of the governing body includes termly monitoring activities, the purpose of which is to triangulate information provided to governors. This includes monitoring the progress of the school improvement priorities listed above as well as numerous statutory duties, which include safeguarding and provision for pupils with additional needs. In addition to monitoring visits the governing body regularly invites teachers and school leaders to present at meetings so our sources of information are not restricted to the Headteacher. Governors also meet with leaders at all levels at various points throughout the school year to gain updates and feedback about their linked areas which also feed into the monitoring activities that take place. This is reported to the full governing body for further challenge and scrutiny. Our monitoring also takes into account external reports and feedback from stakeholders including pupil, staff and parent surveys.

The impact of the governing body

Whilst this is not an exhaustive list of our work over the past year, the governing body has worked together in our strategic role on:

Vision, ethos and strategic direction: Before making any decision we ensure proposals align with our vision for school, its ethos and strategic direction.

- The governing body were involved with the recruitment process for four new members of teaching staff.
- The governing body have regularly reviewed the progress of actions in the School Impact Plan through monitoring visits and discussion in meetings. The governing body have also received reports from school's Consortium School Improvement Partner in order to further shape, with the Senior Leadership Team, the strategic direction of the school.
- The governing body held their annual development session and reviewed progress of the three-year strategy to ensure clarity over its intent. The Headteacher provided an overview, regarding implementation linked to each strategic aim.

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

We have been delighted with the progress made despite the challenges facing schools nationally and will continue to receive reports from staff leads and other stakeholders to determine if actions have had the expected impact.

- This year the chair introduced one to one meetings with all members of the governing body; to understand their impact in 2023/2024, their aspirations and inputs in the next academic year and any personal training and development needs.
- We continue to support school in gathering and acting on feedback from stakeholders. Results from parent and pupil surveys were shared with governors and discussed within meetings.

Christian distinctiveness: We have been working with the Headteacher as he continues to lead the school in its core values, embedding these into all aspects of day-to-day school life, and have gathered evidence from our visits to school and attendance at school worships of how the Christian ethos is visible, shared and understood by pupils of all ages.

- Members of the local clergy have been involved with many events throughout the school year both in school and at Church and we are grateful for their involvement and support with these events. Rector Martin left to take up a post in another diocese midway through the year and his role as incumbent and ex-officio member of the governing body is currently vacant. We would like to place on record our thanks to Rector Martin for his contributions to both the governing body and the overall Christian distinctiveness of our school.
- Governors have received updates around the new diocesan RE curriculum and new SIAMS framework and are keen to work alongside the clergy and staff in their implementation of these.

Pupil attainment: Pupil attainment is a continuing focus of the governing body, being directly linked to the priorities in our School Impact Plan, and this has been monitored as part of governor meetings. SATs results for our Year 6 children have improved for reading, spelling, punctuation and grammar and maths with a very slight decrease in writing when compared with the previous year. Also our combined results (children achieving the standard in reading, writing and maths) has improved when compared with the previous year.

- The governors received internal assessment data after assessment points during the year. Governors questioned the apparent low percentages of pupils in Year 4 making expected progress in maths compared to other years. Governors were satisfied that appropriate interventions were in place to meet the specific needs of this cohort which were identified initially as a result of their performance at the end of KS1 and there are signs of progress.
- Around 38% of pupils at school are entitled to pupil premium (funding for disadvantaged pupils). A very detailed action plan, which is available on the school website, has ensured the school and pupils are supported to make continued improvements. The governor with responsibility for this area has met with the lead within school on various occasions and the pupil premium leader has also fed back to governors about this area within governor meetings this year.
- Maths – Plans to improve maths performance in Y4 and Y5 were discussed. Leaders were questioned over the impact of Maths training for all staff that was delivered at the beginning of the year and Maths Recovery based intervention strategies have continued to be utilised within interventions in this area of school.
- Reading - Continuing to improve phonics attainment and develop a love of reading will remain a key improvement priority. Regular updates via the Headteacher report are received from the Phonics and Early Reading Leader. Governors have also agreed to prioritise funding to further support training and resources within this area.
- The link governor for Early Years has met with the Early Years leader and spent time within Early Years on multiple occasions. Key findings from an external report completed by our Consortium Improvement Partner were discussed with the governing body and the Early Years leader also gave a presentation to governors about the report with governors being in support of the identified actions.
- Termly SEND reports have been presented at meetings providing governors with assurance that provision meets regulations. The governing body have also received copies of the SEND Information Report and the SEND Policy and the Inclusion Leader has also presented updates to the governing body. At the summer term governing body meeting a report was received from the lead governor for this area.
- Governors were involved with the official blessing and opening of the Forest School. Governors have questioned leaders about the provision within Forest School over the course of the year and were satisfied with the intent, implementation and impact of sessions as described by leaders. The governors share an excitement regarding this area as they recognise the opportunity this presents to pupils.

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

Attendance: Ensuring pupils attend and enjoy school, and feel valued and part of the school community is a priority for the governing body.

- We have monitored the rates of pupil attendance, recognising this is a national priority, and we are satisfied that the procedures in place maximise attendance and thank school for all their hard work in this area.
- The lead governor for this area has met with the Pastoral Mentor in order to gain further assurance regarding systems and processes to improve attendance. Several incentives are now being explored by the Headteacher, for example termly attendance certificates.

Staffing: Ensuring staff are supported and developed and the staffing structure is appropriate to meet the needs of pupils at school is also part of the governing body's work. This year governors were:

- Involved in the appointment of four new class teachers for 2024/2025 academic year.
- Involved in adjustments made to the staffing structure during the course of the year.

Performance management: Governors are holding the Headteacher and teaching staff to account for their performance.

- Pay progression is directly linked to performance targets. The Pay Committee reviewed the Headteacher's recommendations for pay progression for teaching staff and have overseen the operation of the school's appraisal policy considering the results of appraisals carried out by the Headteacher and agreed appropriate salary progression for eligible staff.
- A panel of governors, who have undertaken training, supported by an expert external advisor, carried out the Headteacher's annual appraisal, which is reviewed at points throughout the year. The appraisal process allowed the governing body to look closely at the Headteacher's performance, identifying areas of strength and areas for development. New targets have been set, linked to school improvement priorities, on which the Headteacher's performance will be evaluated.

Policies: Governors have approved policies and procedures and published statutory policies on the school website.

- To support compliance; all statutory policies are recorded on a review schedule which indicates the date of the last review and next scheduled review. We have audited the school website for assurance that all statutory policies are available and up to date and relevant changes have been made.
- Following governor training and feedback during 2022/2023 the governing body reviewed the process around approving policies and in 2023/2024 are assured that this is still effective.

Admissions: As a VA school the governing body is responsible for admissions.

- The admissions policy was revised last year and we continue to work closely with the Headteacher to ensure that it complies with the admissions code, is accurate and is implemented correctly. Admissions continue to be an area that we are all focused on, recognising that our school is a great place to learn.

Safeguarding: Safeguarding covers health and safety in the classroom and physical and emotional wellbeing in school, and at home.

- We have regularly monitored processes and procedures to ensure all school staff have been safely recruited; made sure that training of staff is up to date and procedures followed to maintain a safe environment for our children including checks to ensure that volunteers and visitors to the school are suitable.
- The governing body has a specified link lead for safeguarding who liaises with the DSLs within school on a regular basis and reports are fed back to the governing body as part of meetings.
- We reviewed the safeguarding self-assessment completed by school which provided assurance to the governing body of the robustness of systems and procedures, with termly governor monitoring to confirm that procedures are in place and being followed to keep children safe.
- The lead governor for this area presented an annual report in the summer term governing body meeting.

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

Financial management: We ensure school funding is spent in the best interests of children and financial management procedures are robust.

- The governing body allocate funding for improvements to school buildings on an ongoing basis in the best interests of the children as well as utilising diocesan funding as appropriate. New furniture has been purchased which supports the development and improvement of the learning environment and learning provision. Improvements to toilet facilities have also been approved and are to be carried out before September 2024. Any work completed within school is discussed with the governing body and then the link health and safety governor checks that it has been completed to a high standard when they tour the school.
- The School Business Manager reports to governors as part of every meeting and reports relating to finance are considered half termly. The governing body has worked closely with the School Business Manager and the Senior Leadership Team to monitor income and costs against the budget which we approved at the start of the year. All this activity ensures that our financial resources have been best utilised for the benefit of pupils. We have carefully reviewed some areas of spend, particularly staffing, and those related to the School Impact Plan and ensure that we remain within budget.
- The governing body have agreed a three-year financial plan which incorporates the priorities of the School Impact Plan. The governing body noted the continued challenge on finances due to increasing costs and extends its thanks to the Headteacher and School Business Manager for their continued efforts in reviewing contracts and reducing costs wherever possible.
- Governors reviewed and completed the School Financial Value Standard (SFVS) to provide assurances that school meets the standards necessary to achieve a good level of financial health and resource management. Actions were identified as a result of the audit and are being monitored by the governing body.

Premises, health and safety:

- Over the course of the year, there have been various changes around school to maintain and improve the overall look and feel of the classrooms and buildings and to ensure a safe learning environment for all. The governing body has worked with the School Business Manager to bring these various projects together, monitoring costs and adherence to health and safety procedures, with no issues identified.
- The report from the annual Health & Safety inspection of the premises has been reviewed and governors are happy with the proposed priorities for maintenance and development, which will be monitored in our governing body meetings.
- Governors have been involved in safeguarding/health and safety spot checks around school.

Community work: School has been heavily involved in the local community, particularly with supporting local community groups such as 'For Tyldesley'. Events involving school within the local community over the last year have included:

- Taking part in the ATSA Art Exhibition alongside other local schools.
- Poetry performances at a local venue.
- Taking part in the 'Let's Play' music event with other local musicians.
- Providing an 'Easter Bingo' event for children and families in the local area.
- Visits to Merly's Kitchen and the 'No Waste' food shop.
- Involvement through our Eco Club with hedgerow planting on Cutacre Country Park.
- Being part of the Remembrance Sunday parade through Tyldesley.
- Regular visits throughout the year to the local nursing home, including a poetry performance there which incorporated a visit from the Lord Lieutenant of Greater Manchester.
- Regular litter picks within the community.
- Supporting the Tyldesley Christmas Lights Switch On, including with a performance from our choir.
- Supporting St George's Church with various events such as Harvest Festival, Christmas carol services and Mothering Sunday.
- Taking part in various sporting events throughout the local community through the local organisation ATSA.

Our work to support the local community is ongoing and is integral to our values as a school and governing body.

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

The effectiveness of the governing body

The most effective governing bodies have governors with a good mix of skills and experience and clearly defined roles and responsibilities. The governing body completed a review of governance in July 2022 facilitated by Governor Support Service, following this the governing body undertook the annual NGA Skills Audit and in the summer of 2023 consolidated this work into our three year strategy. The NGA Skills Audit was then revisited in the summer of 2024. This can be seen in Appendix 1. As a result of this process four strategic aims were established:

- To ensure high quality of education is front and centre of the work with our children.
- To develop the governing body in line with the future needs of the school.
- To be an active pastoral participant, particularly with church and our mission in the community.
- To explore school development opportunities in light of national policy direction.

All members of the governing body are committed to their own continued development so they have the knowledge to support school and ask appropriate and informed questions. During 2023/2024 the one to one meetings with the chair continued to identify governors' individual training needs which are addressed through in-school development or formal courses. Following review in the summer term governing body meeting this training and development can be seen to cover a wide range of topics. Please see Appendix 2 with training undertaken over the course of recent years. The governing body receives regular updates regarding governor training and development and governors cascade information accordingly.

What we plan to do next

Governance is an annual cycle. Whilst making the improvements to our own effectiveness, as detailed in the section above, we will also review the latest self-assessment and support school in identifying priorities for the year ahead, which we will then monitor.

The pupils and staff will remain at the forefront of our decisions as we endeavour to provide the best educational and pastoral environment for them. We will continue to closely monitor the school budget, which is affected by reduced funding and rising costs, to ensure that staffing levels and resources do not suffer and children's learning and development continues to be of the highest standard.

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

Governing board self-evaluation questions RAG rating

Board culture and practice

Self-evaluation questions	Descriptors	2022 – 2023	2023 – 2024
	<i>Tick the red, amber or green descriptor that best fits your board.</i>		
1. Governance culture The governing board is a committed team that works well with senior leaders and the governance professional (clerk to the board).	Our board is a team which collaborates with senior leaders and the governance professional; we have the time required to carry out the role, our meetings are well attended, we undertake training and development and visit our school.		✓
	Our board is developing as a team and mostly manages to give the time required to carry out the role with most meetings being quorate; some of us undertake training and development and are able to visit the school.	✓	
	Our board is not yet a team and can struggle to find the time to carry out the role with some meetings not being quorate, and few of us manage to undertake training and development or visit our school.		

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

<p>2. Leadership The chair is elected annually, leads with integrity, is supported by a vice chair and ensures the board stays strategic and does not shy away from making the right decisions for the school.</p>	We elect our chair and vice chair annually following a nomination and election process which allows the board to consider if the nominee(s) have the right qualities to lead our board.		✓
	We elect our chair and vice chair annually but there are not usually other candidates.	✓	
	We are grateful for anyone willing to take on the roles.		
<p>3. Governance professional The school employs a dedicated governance professional with an up-to-date job description who supports the board with independent advice and guidance.</p>	Our governance professional is qualified, is up to date with current legislation and practice, administers and advises the board with skill – we couldn't do without this.	✓	✓
	Our governance professional schedules and minutes meetings with skill but does not advise our board.		
	Our governance professional has other roles within the school and would benefit from training and development.		

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

<p>4. Skills and diversity</p> <p>Succession is planned, the recruitment process is designed to ensure new board members are recruited to fill skills gaps and ensure diversity of knowledge, experience, perspectives and approaches.</p>	<p>We undertake a skills audit regularly and use the outcome to inform our succession planning, recruitment strategy and training and development; recently we have focused on diversifying our board.</p>		
	<p>We undertake a skills audit when we need to recruit but have yet to use it to inform succession planning, training and development; we struggle to find people to commit to the role but are thinking more about diversity.</p>	✓	✓
	<p>We have not carried out a skills audit recently; our board is long-standing and stable and appointing more diverse people is not a priority.</p>		
<p>5. Induction and ongoing development</p> <p>There is a quality induction programme in place for new board members and a culture of ongoing governance training and development.</p>	<p>All new board members get a comprehensive induction and can access quality training and development for areas where the board needs to learn and develop.</p>		
	<p>New board members are given information and meet the chair and headteacher; board members generally identify where they need training and development.</p>	✓	✓
	<p>New board members learn on the job; our board knows what it is doing and doesn't need training and development.</p>		

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

6. Collaboration Those governing are committed to collaboration and the sharing of best practice.	Our board is well informed, attends network meetings and other relevant events so it is aware of new developments; we have learned from others and shared our practice.		✓
	Our board does its best to keep up with best practice and tries to get to meetings and events that would enable collaboration.	✓	
	Our board is experienced and has decided to focus solely on our school.		

Board structure

7. Size The governing board is the right size with a proportionate committee structure.	We have the right number of people around the table for the board to undertake its strategic functions and to enable delegation to the committees we need.	✓	
	We have not yet got the right number of people around the table: there are not enough people to delegate responsibilities effectively OR there are too many people and so some are not making a meaningful contribution.		✓
	We have not yet made time to review the size of our board and evaluate our committee structure.		

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

<p>8. Delegation Committee terms of reference are up to date, are comprehensive and the work undertaken is not duplicated.</p>	We review and revise our committee terms of reference annually to ensure that we are working as efficiently as we can.	N/A	N/A
	There is some duplication of our work and we have yet to ensure our terms of reference are constructed in a way that means this does not happen.	N/A	N/A
	We have not reviewed our terms of reference properly for some time and they do not reflect the work we undertake at committee level.	N/A	N/A

Core functions

<p>9. Values, ethics and culture The governing board and headteacher have agreed the school's values which are evident in policies and practice, ensure ethical behaviours and underpin a healthy culture across the school.</p>	We have worked with the headteacher to review our values and regularly test that they drive ethical behaviour and a healthy culture.	✓	✓
	Our values are long-established and we believe that they drive ethical behaviour and a healthy culture.		
	Our headteacher sets the values and we trust that they drive ethical behaviour and a healthy culture.		

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

<p>10. Vision The governing board and headteacher have established a clear and ambitious vision which describes what the school should look like in three to five years and what pupils will achieve.</p>	Our board has worked with the headteacher and has consulted with stakeholders in establishing our ambitious vision for the next three to five years.		✓
	Our headteacher has a clear vision and we agree with it.	✓	
	Our board has yet to look forward three to five years and think about what we would like our school to look like then.		
<p>11. Strategy Those governing have agreed with the headteacher a limited number of measurable strategic aims which need to be met in order for the school to achieve its vision; these aims drive the board's business.</p>	Our board has agreed a limited number of measurable strategic aims and progress with meeting these is reported to our board termly meetings.		✓
	Our aims are known but do not align with the school improvement plan and so it is not straightforward for the board to track progress being made.	✓	
	Our board focuses on the school improvement plan; there is too much uncertainty to look further ahead than this.		
<p>12. Employer responsibilities The governing board acknowledges its employer responsibilities and ensures the development and wellbeing of the headteacher.</p>	Staff wellbeing and development is a priority for our board; we engage with staff and use surveys and other data to monitor the effectiveness of our policies.		
	We are introducing staff surveys and other mechanisms to monitor the effectiveness of our policies.	✓	✓

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

	Our board relies on the headteacher to keep us informed about staff wellbeing and development; we trust them to inform us of any issues.		
13. Accountability – quality of education Those governing hold the headteacher to account for the quality of education, ensuring school leaders develop, implement and deliver a broad and balanced curriculum which is taught effectively.	We have had training on curriculum matters and have a good understanding of the principles that underpin our curriculum, its implementation and impact.		✓
	Our board is beginning to understand the principles that underpin our curriculum, its implementation and impact.	✓	
	Our board has yet to build an understanding of the principles that underpin our curriculum, its implementation and impact.		
14. Accountability – financial oversight Those governing have sufficient understanding of how the school's funds are managed to hold the headteacher to account for the efficiency, sustainability and impact of the school's financial planning and management.	Our board has a good understanding of how schools are funded and how our school manages its budget; several of our board members have detailed knowledge of budget planning and monitoring.		✓
	Our board has just enough people with an understanding of school funding, budget planning and monitoring.	✓	
	Our board focuses on pupil outcomes and believes that financial sustainability should be of secondary concern.		

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

<p>15. Accountability – stakeholders Those governing know their school, engage with its stakeholders and take into account their views when making key decisions and report on their work each year.</p>	Our board knows the school well, actively engages with stakeholders and takes into account their views when making key decisions; we report on our work each year.	✓	✓
	Some of our board members know the school and like going to events but systematic engagement with stakeholders is largely via the school's leaders.		
	Our board finds it hard to find time to get to know the school well and relies on the headteacher to report what stakeholders think.		

Compliance

<p>16. Statutory requirements Those governing are confident that the school meets all legal requirements and takes into account statutory guidance.</p>	We are aware of our statutory responsibilities, take into account statutory guidance and are compliant with policies and procedures.	✓	✓
	We think we meet most statutory requirements, aim to take into account statutory guidance and think we comply with policies and procedures.		
	There are so many requirements that it is hard to know if we are compliant or not.		

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

<p>17. Managing risk Those governing are involved in the identification and assessment of key strategic risks.</p>	We identify and review annually risks which may prevent us from achieving our strategic aims or of non-compliance.		✓
	We are in the process of understanding our role in managing risk.	✓	
	Our school leaders manage operational risks; we have not made any assessment of strategic risks.		

Evaluation and impact

<p>18. Evaluation of individual contributions A 360° appraisal process is used to evaluate the chair's effectiveness, and the chair or vice chair reviews board members' individual contributions and effectiveness each year.</p>	The chair undertakes a 360° appraisal, and the vice chair speaks to all board members individually about how they have contributed to the work of the board each year.		
	The chair is going to undertake a 360° appraisal this year and it has been agreed that they will speak to all board members individually about how they have contributed to the work of the board.		✓
	Our chair and vice chair don't perceive a need to undertake appraisal or are too busy.	✓	

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

<p>19. Evaluation of board practice</p> <p>The governing board undertakes annual self-evaluation and commissions an external evaluation every three years.</p>	We self-evaluate annually and commission an external review every three years.		
	We self-evaluate most years and have discussed commissioning an external review of governance.	✓	✓
	This is the first time we have self-evaluated, and we have not yet commissioned an external review of governance.		
<p>20. Evaluation of impact</p> <p>Those governing are confident that the decisions the governing board makes have led to both improved outcomes for pupils and ongoing financial stability for the school.</p>	Our pupils' outcomes continue to improve and meet the highest expectations and our school's budget is balanced with a reasonable contingency.	✓	
	Our pupils' outcomes are generally improving, and our school's budget is tight with minimal contingency.		✓
	Our pupils' outcomes are not improving as much as we would like, and our school's current budget position needs to be more secure.		

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12

'Never settle for less than your best'

Jesus said, 'I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12
