## **STUDENT AND VOLUNTEERS POLICY**

### **Our school motto**

Never settle for less than your best.

### **Our Vision**

Following in the footsteps of Jesus, each member of our community will flourish as resilient, respectful and adaptable individuals prepared for life's journey. Along the way we will encourage and inspire each other to continue growing as beacons of light in our own lives and the wider world.

### **Our Mission Statement**

St. George's Central seeks to provide quality education rooted in the Christian faith, serving the spiritual, moral, and educational needs of the community of which it is part.

### **Introduction**

St. George's Central CE Primary School and Nursery is committed to the development of training, therefore we welcome students and volunteers into the school to gain the valuable experience they need. As part of our commitment we offer placements to students/volunteers including work experience. We believe that volunteers provide a valuable contribution to the school's work, and that they enrich the school through the breadth of their knowledge and experience. We are committed to using volunteers in a way that supports the school's strategic aims and vision, as well as its development plan.

The senior leadership team is responsible for ensuring that any volunteers/students are suitable to work alongside our children. We aim to provide students/volunteers with a placement that contributes to their studies and that provides high quality practice in a school and/or nursery setting.

### **Aims**

The aims of St. George's Central CE Primary School and Nursery Student and Volunteer Policy are to:

- Encourage the wider community to engage with the school, thereby enhancing the curriculum, raising achievement and promoting community cohesion;
- Ensure that volunteers support the school's vision and values, and adhere to our policies;
- Provide staff, volunteers and parents with clear expectations and guidelines;
- Set a clear, fair process for recruiting and managing volunteers

This policy has been developed in line with the Department for Education's statutory safeguarding guidance, [Keeping Children Safe in Education](#).

### **How we may use volunteers**

At St. George's Central CE Primary School and Nursery volunteers may be allocated a particular class or group of pupils, under the guidance of the teacher. You may be asked to:

- Hear children read;
- Accompany school visits – this could be 'one-off' support with classes as a 'visitor';
- Work with individual children;
- Work with small groups of children;
- Support specific curriculum areas, such as Computing or Art;
- Compliment the role of other adults within school/nursery.

Volunteers may be:

- Members of the governing board;
- Parents/carers;
- Former pupils;

***'Never settle for less than your best'***

*Jesus said, I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12*

- Students on work experience;
- Local residents;
- Friends of the school/members of the PTFA;
- Local clergy or members of the congregation.

Members of the governing body working at the school in their capacity as governors (for instance, conducting school monitoring visits or attending meetings), are not covered by this policy. They are covered by our governor code of conduct.

#### **How to apply to volunteer at St. George's Central CE Primary School and Nursery**

- First you will need to register your interest through emailing school: [enquiries@admin.saintgeorgescentral.wigan.sch.uk](mailto:enquiries@admin.saintgeorgescentral.wigan.sch.uk)
- You will then be asked to complete a volunteer application form (see Appendix 1).

#### **Appointment of volunteers at St. George's Central CE Primary School and Nursery**

Volunteers are appointed by Mr M Grogan. Intake of new volunteers can take up to 4 weeks, and is dependent on the candidate and available spaces within the school. All appointments are conditional upon the completion of an enhanced DBS check (if appropriate) and other appropriate safeguarding and recruitment checks, and relevant training. The headteacher reserves the right to terminate a placement at any time. Enhanced DBS checks for volunteers working in the school through other organisations will be conducted by the relevant organisation. The school will ask for written confirmation that enhanced DBS checks have been carried out before a volunteer is allowed to start work at the school.

#### **Safeguarding**

'Short term' volunteers (used for one off trips/visits) are required to meet with the trip/visit organiser to ensure they are aware of the expectations required of them. 'Long term' volunteers and students (in school on a regular basis) are required to meet with our Learning Mentor on the first day of starting and take signed copies of the Safeguarding Policy, part 1 of 'Keeping Children Safe in Education' and the Staff Code of Conduct to indicate that they've read and understood them. Safeguarding our pupils is of paramount importance, and our volunteers/students must share our commitment to child protection. To ensure we're upholding our responsibility to keep our pupils safe, we will:

- Conduct enhanced DBS checks on volunteers who:
  - Work one-on-one with pupils unsupervised;
  - Work with groups of pupils unsupervised;
  - Supervise or accompany groups of pupils on overnight residential visits.
- Consider the results of any DBS checks that return with unspent and spent listed convictions, and assess these on a case-by-case basis, with regard given to the nature of the conviction and the nature of the work the volunteer will be involved in;
- Provide safeguarding training to all volunteers/students **prior** to them beginning work at the school;
- Require volunteers to agree and adhere to the following school policies:
  - Safeguarding.
  - Use of mobile phones.
  - ICT and Internet acceptable use.
  - Online safety.
  - Behaviour and Rewards.
- Ensure that volunteers without an enhanced DBS check are always supervised, and are never left alone with pupils;
- Conduct a risk assessment to determine whether a volunteer who is not working in regulated activity needs an enhanced DBS check. The risk assessment will consider:
  - The nature of the work they will be doing;
  - What we know about them;
  - References from employers or other voluntary roles;
  - Whether the role is eligible for an enhanced DBS check.
- DBS certificates from another organisation are accepted so long as they have been processed within 3 years of the date of volunteering;
- Volunteers will be added to our Single Central Record by Mrs Smith, our School Business Manager.

***'Never settle for less than your best'***

*Jesus said, I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12*

### **Induction and training**

All volunteers/students will be subject to an induction period to familiarise them with the way that the nursery operates and to help them understand their roles and responsibilities. Time will be spent discussing policies and procedures including information about emergency evacuation procedures, safeguarding, child protection, the provider's equality policy, and health and safety issues. We co-operate with tutors in order to help students fulfil the requirements of their course of study.

### **Confidentiality**

Information about pupils, parents and staff is confidential. Volunteers are not permitted to discuss issues related to pupils, parents or staff with those outside of the organisation. If volunteers have concerns, they should raise these with the appropriate member of staff. They shouldn't discuss them with pupils or parents/carers. This doesn't prevent volunteers from adhering to the school's safeguarding policy (with regard to reporting safeguarding concerns or disclosures). If concerns relate to safeguarding, volunteers must follow the guidance in our Child Protection and Safeguarding Policy, and inform the designated safeguarding lead. If concerns are related to whistle-blowing, volunteers must follow the guidance in our Whistle-Blowing Policy.

### **Conduct of Students and Volunteers**

Students and Volunteers must comply with the Staff Code of Conduct (Appendix 2).

Please also refer to The Quick Guide for Students and Volunteers (Appendix 3).

### **Insurance**

The school's insurance policy does cover volunteers in the event of an accident or emergency. If a volunteer is working at the school through another organisation, we will also check that organisation's insurance arrangements.

### **Data protection and record keeping**

Our GDPR Policy notice for volunteers explains what information we collect about volunteers and why we collect it. We will retain records relating to volunteers for six months.

### **The role of the Governing Body**

**The Governing Body is responsible for ensuring that:**

- There is a current policy in place to support students and volunteers and that this is followed and
- Sufficient time and resources are devoted to ensuring that the school supports students and volunteers as required.

### **The role of the Headteacher**

**It is the Headteacher's duty to ensure that:**

- Appropriate staffing and resources are made available to meet the aims and objectives of this policy and
- Any volunteers/students are suitable to work alongside our children.

### **Monitoring and review**

This policy will be reviewed regularly with any updates requiring full governing body approval.

## **STAFF CODE OF CONDUCT**

### **Our school motto**

Never settle for less than your best.

### **Our Vision**

Following in the footsteps of Jesus, each member of our community will flourish as resilient, respectful and adaptable individuals prepared for life's journey. Along the way we will encourage and inspire each other to continue growing as beacons of light in our own lives and the wider world.

### **Our Mission Statement**

St. George's Central seeks to provide quality education rooted in the Christian faith, serving the spiritual, moral, and educational needs of the community of which it is part.

### **Introduction**

The Governing Body and staff at St. George's Central CE Primary School and Nursery are committed to maintaining high standards of conduct in all areas of their activities. This relies on staff observing these standards when carrying out their duties and in doing so promoting and maintaining public confidence and trust in the work of the school. This document is not a prescriptive guide to what staff should and should not do. It highlights the principal areas where staff need to be aware of their responsibilities when working in the school and provides a framework for expected/acceptable behaviour.

In addition to this policy, all staff employed under Teachers' Terms and Conditions of Employment have a statutory obligation to adhere to the 'Teachers' Standards 2012' and in relation to this policy, Part 2 of the Teachers' Standards - Personal and Professional Conduct.

Staff are required to comply with the Code of Conduct as it will help them to understand and comply with the high standards of conduct the school expects, failure to do so may result in disciplinary action, which could include dismissal.

### **Responsibilities**

#### **Staff**

As part of the code, staff are expected to:

- familiarise themselves with the contents of the code and act in line with the principles set out in it;
- act honestly and with dignity and treat others with respect;
- attend work and be able to carry out their duties safely and effectively;
- ensure their conduct does not discriminate against others;
- understand and apply the school's rules, policies and procedures and act in line with its vision and values;
- follow reasonable management instructions, procedures and regulations; and
- be committed to delivering quality services, competently, and with due care.

#### **School**

The school also has a responsibility to help ensure that staff:

- are clear about what is expected of them;
- have a safe and healthy working environment;
- have a work environment that is free from discrimination, harassment or bullying as covered by the Dignity at Work policy;
- are offered relevant development opportunities;
- have the opportunity to choose to be accompanied by a trade union representative or colleague, in appropriate circumstances, as determined by school policy;
- are treated fairly, with respect and dignity.

***'Never settle for less than your best'***

*Jesus said, I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12*

### **Purpose and Scope**

A Code of Conduct is designed to give clear guidance on the standards of behaviour all school staff are expected to observe, and the school should notify staff of this code and the expectations therein. School staff are role models and are in a unique position of influence and must adhere to behaviour that sets a good example to all the pupils within the school. As a member of the school community, each staff has an individual responsibility to maintain their reputation and the reputation of the school, whether inside or outside working hours. This applies equally to the school day and occasions where staff are representing the school, for example during:

- School trips;
- Residential activities;
- Parent/Teacher events and/or
- Any staff training or CPD.

This Code of Conduct applies to:

- all staff who are employed by the school, including the Headteacher;
- all volunteers who are in school on a regular basis or are part of a long term agreement with the SLT;
- all staff in bases that are attached to/managed by school.

The Code of Conduct does not apply to:

- peripatetic staff who are centrally employed by the LA;
- school meals staff employed by Metrofresh Catering or by an external contractor;
- staff of external contractors and providers of services (e.g. contract cleaners). (Such staff are covered by the relevant Code of Conduct of their employing body)

### **Setting an example**

All staff who work in the school are expected to be role models and set examples of behaviour and conduct which can be copied by pupils. Staff must avoid using inappropriate or offensive language at all times.

All staff must demonstrate high standards of conduct in order to encourage our pupils to do the same, including adhering to the school's dress code. Adults should model correct use of spoken English in order to reinforce accurate grammatical principles that are taught in English lessons, for example – correct use of 'was' and 'were'.

All staff should arrive in school in good time to begin their contracted hours. (8:30am for teaching staff, no more than 10 minutes before starting for support staff, unless completing tasks/preparing work for the day in classroom areas).

All staff must also avoid putting themselves at risk of allegations of abusive or unprofessional conduct. This Code helps all staff to understand what behaviour is and is not acceptable. All staff must ensure that they do not use any phrases or references to gender or other stereotypes. Any personal opinions that may be seen as negative towards the school, or any personal political views that could cause offence should not be shared with others when representing the school.

### **Safeguarding pupils**

Staff have a duty to safeguard pupils from:

- physical abuse
- sexual abuse
- emotional abuse
- neglect

The duty to safeguard pupils includes the duty to report concerns about a pupil to the school's Designated Safeguarding Leads (DSL) for Child Protection. The school's DSL's are Mr Mark Grogan (Headteacher) and Mrs Lorraine Kearns (Learning Mentor). In their absence please see Mrs Julie Morris (Deputy Headteacher). The Safeguarding Governor is Mrs Fiona Taylor.

Staff must take reasonable care of pupils under their supervision with the aim of ensuring their safety and welfare.

### **Security and Identification badges**

Staff must only use their ID for official purposes and they must not give it to anyone else. They must ensure it is visibly displayed at all times whilst on school premises and when on other schools or external premises. Staff are encouraged to question anyone on school premises who is not displaying either an ID or a visitor's badge. If staff lose their ID they must report it to the School Business Manager (Mrs Nicky Smith) and they will need to pay for a replacement. Staff who leave the employment of the school are required to return their ID and any other school equipment they may have.

***'Never settle for less than your best'***

*Jesus said, I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12*

### **Pupil Development**

Staff must comply with school policies and procedures that support the well-being and development of pupils.

Staff must co-operate and collaborate with colleagues and with external agencies where necessary to support the development of pupils.

Staff must follow reasonable instructions that support the development of pupils.

Staff must approach pupil interactions with a positive attitude.

### **Honesty and Integrity**

Staff must maintain high standards of honesty and integrity in their work. This includes the handling and claiming of money and the use of school property and facilities.

All staff must comply with the Bribery Act 2010. A person may be guilty of an offence of bribery under this act if they offer, promise or give financial advantage or other advantage to someone; or if they request, agree or accept, or receive a bribe from another person. If you believe that a person has failed to comply with the Bribery Act, you should refer to the Whistleblowing procedure.

Gifts from suppliers or associates of the school must be declared to the Headteacher, with the exception of 'one off' token gifts from pupils or parents. Personal gifts from individual members of staff to pupils are inappropriate and could be misinterpreted.

### **Criminal actions**

School staff must inform the Headteacher (Governing Body if the staff is the Headteacher) immediately if they are subject to a criminal conviction, caution, ban, police enquiry, investigation or pending prosecution.

The Headteacher or Governing Body will discuss this with the staff in the context of their role and responsibilities in order to help safeguard children and other staff at the school.

### **Probity of records and other documents**

The deliberate falsification of documents is not acceptable. Where a staff falsifies records or other documents, including those held electronically, this will be regarded as a serious disciplinary matter.

### **Financial Inducements**

#### **Declaration of interest**

In this section, "business contact" refers to any person, body or organisation with which the school is involved on a financial or charitable basis (including contractors; developers; consultants; regional or national charities). This also includes business contacts who are potential suppliers (e.g. they are tendering for future business).

Staff should consider carefully whether they need to declare to the school their business contact where this might cause a conflict with school activities. Failure to make a relevant declaration of interests is a very serious breach of trust and therefore if staff are in doubt about a declaration, they are advised to consult a member of the Senior Leadership Team. All declarations should be submitted in writing to the Head teacher on the school Register of Business Interests.

### **Health, Safety and Welfare**

Staff must adhere to the school's Health and Safety policy, procedure and guidance and must ensure that they take every action to keep themselves and everyone in the school environment safe and well. This includes taking immediate safety action in a potentially harmful situation (either on or off-site) by complying with statutory and school guidelines and collaborating with colleagues, agencies, the school and if required, the local authority.

All staff have a duty to take reasonable care for their own Health, Safety and Welfare and those of colleagues and pupils whilst at the school or whilst involved in school activities.

All staff have a responsibility to understand the administering medication policy and be aware of the potential triggers, signs and symptoms of common medical conditions as well as knowing what to do in an emergency. Our Health & Safety Designated Lead is Mrs N Smith (SBM)

### **Conduct outside of work**

Staff must not engage in outside work which could seriously damage the reputation and standing of the school or the staff's own reputation or the reputation of other members of the school community.

In particular, criminal offences that involve violence or possession or use of illegal drugs or sexual misconduct are likely to be regarded as unacceptable.

***'Never settle for less than your best'***

*Jesus said, I am the light of the world. Whoever follows Me will not walk in darkness, but will have the light of life.' John 8:12*

Staff must exercise caution when using information technology and be aware of the risks to themselves and others. Staff must not engage in inappropriate use of social network sites which may bring themselves, the school, school community or employer into disrepute. (See School's Social Media Policy)

Staff may undertake work outside school, either paid or voluntary, provided that it does not conflict with the interests of the school nor be to a level which may contravene the working time regulations or affect an individual's work performance.

#### **Use of school property, facilities and equipment**

Staff must only use school property, facilities and equipment for the school's business unless they have their line manager's permission.

Staff may make phone calls or print personal documents, within reason and within their own time, but they are required to reimburse the school for the cost. Printing costs can be verified by the School Business Manager.

When staff leave the school's employment, they must return any property belonging to the school. This may include, but is not limited to, security and identity cards, door fobs, lap-top, mobile phones or items of uniform.

The school has the right to monitor school e-mails, phone calls, internet activity or document production, principally in order to avoid offensive or nuisance material and to protect systems from viruses.

#### **Staff dress code**

An effective member of staff will dress appropriately as a professional to model the expectations we have of our pupils.

Respect in the school community begins with appearance and staff should strive to be a positive role model for each pupil. Pupils will tend to model the behaviour and appearance they see in the classroom.

Making a good impression upon parents and carers will help foster a productive relationship to help the pupils excel in the classroom. Staff are expected to dress in smart, professional attire, promoting our drive for excellence.

#### **Clothing**

Male staff are required to wear a formal suit or smart trousers and a shirt with a jumper (optional).

Female staff are required to wear a skirt of appropriate length (just above the knee, but ideally knee length), or full length trousers, dress, smart blouse or plain t-shirt/polo shirt (long or short sleeve) or suit with a jacket. Footwear should be of sufficient strength and stability to allow staff to carry out tasks related to their duties safely. Our expectations for the school environment are:

- No denim/canvas
- No ¾ length trousers
- No revealing clothing e.g. low cut /strappy/see through/tight fitting tops or short skirts
- Shoulders should be covered so that no straps from underwear are on view
- No leisure shoes e.g. flip flops (or other footwear where toes are not covered)/trainers (with the exception of trainers during PE lessons)
- No inappropriate slogan tops
- No cropped tops

Please note: leggings are only acceptable attire when worn with a dress which is just above the knee or ideally knee length

***During the summer months staff should be mindful that pupils still wear the same formal uniform.***

When teaching PE staff should dress in accordance with their role (sportswear, trainers/pumps).

All staff must wear their names badges /ID.

When on the playground at playtime/lunchtime, staff should wear a school coat (weather dependent) and Hi – Vis jacket.

During non-uniform days, please ensure clothing is still suitable for school and follows the same expectations.

#### **Clothing (PE lessons/sports activities)**

All staff are required to wear a St. George's Central staff PE kit which may include the following: St. George's Central jacket, St. George's Central hoodie/long sleeve t-shirt, St. George's Central navy t-shirt with dark tracksuit trousers and trainers (knee length dark blue/black shorts may be worn during summer months when weather is warm). Staff can wear this clothing for the whole day when it is their PE lesson 'day', regardless of the time the lesson is conducted. ### **Confidentiality**

Where staff have access to confidential information about pupils or their parents/carers, staff must not reveal such information except to those colleagues who have a professional role in relation to the pupil.

All staff are likely at some point to witness actions which need to be confidential. For example, where a pupil is bullied by another pupil (or by a member of staff), this needs to be reported and dealt with in accordance with the appropriate school procedure. It must not be discussed outside the school, including with the pupil's parent or carer, nor with colleagues in the school except with a senior member of staff with the appropriate role and authority to deal with the matter.

However, staff have an obligation to share with the school's Designated Safeguarding Leads (Mr Grogan or Mrs Kearns) any information which gives rise to concern about the safety or welfare of a pupil. Staff must never promise a pupil that they will not act on information that they are told by the pupil.

### **Disciplinary Action**

All staff need to recognise that failure to meet these standards of behaviour and conduct may result in disciplinary action.
