**\*\*any families picking up children from Y5JY, Y5/6NC and Y6AJM at 3:15pm can walk back across the playground and leave our site via the Nursery side of school as this side of school will be clear of KS1 and Reception parents/carers at this time.**

**General reminders**

- when waiting to access our school site, please maintain social distancing;
- please avoid gathering in groups in any areas of our site, especially near key access points and paths;
- ensure you or your own children do not use any of the fixed play equipment on the playground;
- ensure that you keep any children you have with you, altogether as you wait, at a safe distance from other families and
- should you wish to speak to any of our staff (including the school office or nursery office), please telephone or email.

**Please note: you are not required to wear a face covering when entering our school paths and playgrounds, however, should you feel that wearing one would make you and others feel safer, then please feel free to do so.**

We have worked so hard in school over the last term to ensure that your children were safe and so please ensure you continue to support us through playing your part when in and around our school site.
