## Amended approach at home time

**From Monday 14<sup>th</sup> September**, any nursery parents/carers entering our site between 2:45pm and 2:55pm, collecting **a nursery child only**, will be able to return back up the same path towards Mrs Smith as opposed to walking round school.

Once most nursery children are collected in this manner and the path is clear, we will allow all other parents/carers to enter our site and walk round to collect their children from the classroom doors as normal (from 3:00pm).

Nursery parents collecting children from other classes as well will wait until the other gates open once they have collected their nursery child.

Due to the numbers involved at this time, the one-way system will remain in place for **everyone** collecting from 3:00pm onwards.
