Subject: St Georges - Greystone Trip

Dear Mr Grogan,

I hope this message finds you well.

I wanted to take a moment to thank you for allowing me to attend and engage with your students during your recent trip to Greystone this week. It was an absolute pleasure to be part of the day.

I was incredibly impressed by how well behaved all the students were. Throughout the visit, they demonstrated fantastic levels of respect, courage, and support for one another. It was especially wonderful to see how encouraging and supportive they were towards their peers who felt nervous about trying some of the activities.

The feedback I received from staff at the provision was equally outstanding. They shared that they have *never* had a school group of that size who were so well behaved and well mannered. You should be extremely proud of your students and the way they represented St George's on the day.

The feedback gathered during the visit will be invaluable in helping us shape the future skate park at Shakerley Common. I also hope the experience has inspired the students and given them an appetite to explore wheeled sports going forward.

It would be great to gather some feedback from the students about what they enjoyed most about the day when you have the opportunity.

I am also pleased to confirm that funding for this trip has now been approved. You should receive a Terms and Conditions email shortly; once this is signed and returned, we will be able to process the payment to you.

Thank you again, and I hope to work with you again in the future.

Kind regards,

Hannah Lee
